Agreement concerning use of images

Between AMPri Handelsgesellschaft mbH (hereinafter: AMPri)

and

…………………………………………..

(hereinafter: the image user)

the following legally binding agreement on the commercial use of the recordings and photographs listed/specified in the customer inquiry or on the following page(s) (hereinafter: contract recordings/photographs) shall apply:

I.   The image user is authorised to use the contract recordings in accordance with the conditions below. In this respect, the image user is granted a simple, time limited, non-transferable right of use for the contract recordings.

  1. The contract recordings may only be used by the image user for advertising purposes during this period, and only in print media (brochures, advertisements, catalogues), digital media, and on the image user's website.

  2. The image user may use the contract recordings on the online sales platforms of associated companies or subsidiaries and for advertising purposes for these associated companies or subsidiaries. Dissemination or sublicensing to the image user's contractual customers or other third parties is not permitted. A special usage agreement must be concluded with AMPri for this.

  3. The contract recordings may not be edited without approval from AMPri. Those amendments which are technically required by the advertising medium used by the image user are excepted.

  4. In the event of a violation of the conditions of use above, the rights of use hereby granted shall automatically cease to apply. This also applies for contract recordings already in use in print media. In every case, the rights of use shall cease to apply upon the termination of this agreement (e.g. through expiry, cancellation).

II.   The duration of this agreement is one year from conclusion of the contract. It shall be automatically extended for a further year up to a maximum of five years if it is not cancelled by one of the parties one month before the end of the applicable duration at the latest.
